

Time & Talent Survey

There are many ways that you can become involved in helping to eliminate chronic homelessness and reducing all other types of homelessness. Everyone has been given gifts and talents in different measure and they've been given to us for a reason: to invest, not to hoard. Using your gifts to connect with someone will provide the support they need to be restored to wholeness. Please use this survey to determine how you might best use your time and talents to make a positive difference in our community!
