

# WARM PLACE TO SLEEP

PHOTOS BY JOSEPH RODRIGUEZ/News & Record

The beds are set up, but volunteers were still moving in necessities as preparations were made for Thursday night's opening of Greensboro Urban Ministry's Winter Emergency Homeless Shelter at the former YWCA downtown.

Volunteers Charles Hartis (left) from First Baptist Church and Shannon Stewart from the Interactive Resource Center bring in a refrigerator as the shelter is prepared. The emergency shelter site at the former YWCA will be able to accommodate 25 homeless women.
